Ref: Charity Public ID: C1256
Itemized expenses 07/2012-6/30/2013

Note: These expenses support our purpose of promoting and preserving The Town of Historic Ninety Six and its surrounding area by providing support to the Ninety Six Visitors Center. The Historic 96 Development Association was responsible for obtaining necessary funding for the construction of the Ninety Six Visitors Center. This year the Association received approval from South Carolina Archives and History to erect two (2) New roadside markers, one for the Ninety Six Colored School and The Ninety Six Depot. The markers have been ordered and we anticipate placing them in the early part of 2014. We also sponsor a Ninety Six Farmers Market at The Depot which allows area farmers An opportunity to sell fresh fruits and vegetables at no cost, again to promote Ninety Six.
